

I am TeraBYTE e-safe

☺ I can protect my personal information when I do different things online.

☺ I can choose a secure password and an appropriate screen name when I am using a website.

☺ I use the safety features of websites as well as reporting concerns to an adult.

☺ I ask an adult before downloading files and games from the Internet.

☺ I can make good choices about how long I spend online (and help my friends make good choices).

📧 I know how I can communicate safely with others online and use age appropriate websites to do this.

📧 I know that anything I share online can be seen and used by others.

📧 I comment positively and respectfully online and through text messages.

☑ I can recognise that websites use different methods to advertise products.

☑ I know that some information on the Internet is not accurate. I must think carefully before I rely on it.

☑ I choose websites, apps and games that are appropriate for my age.

© I know I must check who it belongs to before I copy images or text.

© I respect what other people present on the Internet.

© I ask my friends before I use things they have created in their work.
