

Action Plan & Budget Tracking 2022-2023

Robert Piggott C of E Infant School

Our Pedological approach to teaching PE.

We believe that physical education, experienced in a safe and supportive environment, is a unique and vital contributor to a pupil's physical development and well-being.

Our broad and balanced PE curriculum is intended to provide for pupils increasing self confidence in their physical ability.

Our infant curriculum aims.

- To develop confidence to excel in a broad range of physical activities
- To be physically active for sustained periods of time
- To have an awareness of and progressing towards competitive sports and activities
- To lead healthy, active lives, promoting positive mental health and showing an understanding of how the body functions during sport

5 key indicators that you should expect to see improvement:

1. The engagement of all pupils in regular physical activity
2. The profile of PE and sport being raised across the school as a tool for whole school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

Our approach to PE embeds our Christian school values of Grace, Courage & Friendship.

OUR SCHOOL VISION

Our vision is rooted in the understanding that:

'A tree is known by its fruits' (Matthew 12:33)

We are committed to nurturing our children

to flourish in mind, body & spirit,

enabling them to become

confident, creative & resilient learners

who contribute positively to our

local and global community
