

# I am PetaBYTE esafe

☺ I can choose a secure password and screen names for different purposes. I keep personal information private.

☺ I can discuss appropriate and inappropriate use of the Internet.

☺ I can explain the consequences of spending too much time online or on a game.

☺ I support my friends to protect themselves and make good choices online.

☺ I can explain why I need to protect myself and my friends, and the best ways to do this, including reporting concerns to an adult.

☺ I protect my computer or device from harm on the Internet.

☑ I know that anything I share online can be seen and used by others.

☑ I can explain the consequences to myself and others of not communicating kindly and respectfully.

☑ The way I use the Internet demonstrates that I respect other people that I share it with.

☑ I can explain the consequences of sharing too much about myself online.

☑ I know that a website has an author who is targeting an audience.

☑ I know that some people publish inaccurate information on the Internet.

☑ I check information I find online.

☑ I know that websites can use my data to make money and target their advertising.

☑ I know that using unreliable information will misinform other people.

☑ I can discuss the importance of choosing an age-appropriate website, app or game.

© I know which resources on the Internet I can download and use.

© I always acknowledge the source of materials I use in my work.

© I ask my friends before I use things they have created in their work.
