## Uniform Sale Success!

The school uniform sale marked the first fundraising event for the new PTA committee & we were delighted the event raised £300 for the school!

A huge thank you to all of you who came to support the event either through volunteering or purchasing uniform. The children should now be well kitted out for the rest of term!

A special thanks to Jemima Joyce for leading the organisation of the event & to George Fixsen for co-ordinating the flower arrangements! These were a sell-out success on the day!
