

Robert Piggott Infant and Junior Schools

Our vision is rooted in the understanding that 'A tree is known by its fruits.' (Matthew 12:33)

We seek to live this through our values of Grace, Courage and Friendship.

We are committed to nurturing our children to flourish in mind, body and spirit,
enabling them to become confident, creative and resilient learners
who contribute positively to our local and global community.

Governor Diversity Statement

The Governors of Robert Piggott Schools believe it is important that the Board reflects the diversity of the school communities it serves. Diverse Governing Boards promote inclusive school environments and provide diverse role models for staff and young people.

Due to the relatively small Governing Board, we do not publish diversity data as individual governors could be identified and we have a legal obligation to protect their personal data.

The Governors welcome interest in membership from all those who will support us in our objectives and will contribute to the strength and success of our school community. For the avoidance of any possible doubt we confirm that we continue to welcome and will consider from all, applications regardless of gender, ethnicity, race, social standing, physical disability, religion, faith or sexual orientation.

The Governors recognise and takes into account in the selection of appointees to office within the Governing Board, the benefits of diversity (alongside appropriate skills and experience) for the management of Board and its affairs.
