Hot Weather!

It's even more important in this very hot weather to please remember to send children into school with:

- Sun cream already applied
- A sun hat
- Water bottle
- No sunglasses please

ZooLab animal visit!
The children could recall
lots of facts we learned,
even a week after the visit!

Home Learning Challenge!

This is optional — we won't be asking children if they did any of these activities — but it is a great opportunity for you to interact with your child at home in activities linking to things we have been doing in school.

If you would like to email us any photos of your home learning we can of course add them to our Floor Books!

Special Friends focus - read and sort the words—can write on different bits of paper to sort
