Dear Parents

I often reflect on how our school values pulse through the veins of our whole school community and this has once again been reflected in the events of the last few weeks.

The Year 6 children have just finished their SATS!! This was a potentially stressful and worrying time for them all however, the grace they showed each other during this challenging week, staying calm, looking after their classmates and accommodating any last-minute small adjustments having to be made, showed them to be the confident creative learners we aspire them to be and a credit to their school family.

Class Collective Worship

A joy of being a Church School is the opportunity for our community to collectively reflect on Christian Values and our children to have the opportunity to lead their friends and parents in Collective Worship. You may have been to one yourself recently and if you are a parent in Cherry class, I imagine you will have enjoyed being engaged in their leading of worship this afternoon which focused on our school value of Friendship. There are still a few classes left to welcome parents in this year including Kingfishers and Doves!

Coronation Celebrations

We had the most wonderful time last Friday celebrating the coronation of our new King and Queen. If you have looked at the class pages you will have seen each class looking very festive in their red, white and blue clothes. All classes had afternoons full of fun with games, cake and a chance to get together to pray for King Charles and Queen Camilla and plant a cherry tree in the grounds of both schools.

The youngest and eldest children in both schools played a key role in the service as they placed the first spadeful of soil over our new trees.

It was very fitting for our school whose Bible passage is, 'A tree is known by its fruits.' Matthew 12:33

Portraits

Part of our celebration was a portrait competition. Children were invited to submit their picture of King Charles created in the style of Picasso, Andy Warhol or Giuseppe Arcimboldo. The standard of art was exceptional and extremely difficult to judge which is why we invited one of our governors, Mr David Wyatt to do it for us! He chose the pieces being exhibited here by their artists.

Nevertheless, all entries were so impressive and you can see from the photographs on the following page that we have some very talented artists in our school family.

Spring Concert

Next Wednesday sees the return of our very popular Spring Concert. This is when our Junior School pupils are given the opportunity to perform any instrument they are learning to an audience of their peers, staff and parents. Some are beginners and some are working towards higher grades in their chosen instrument, so a real range of pieces will be heard. Having heard many pupils practise around school and celebrate the achievement of grades in Assembly with others, I cannot wait to attend this concert. I look forward to seeing lots of the performers' parents there as well, giving the children a wonderful opportunity to flourish in front of an audience - what courage!

Thank You

A regular feature of this year's Newsletters has been the showcasing of resources or events made possible by our fantastic parent body and led by the determined and hard-working PTA.

Last term it became obvious that we would need to replenish our Read Write Inc books at the Infant School. These books are extremely expensive and we explored a number of options to make it cheaper however none would have provided the children with the high-quality materials they need to make their learning of phonics and early reading as seamless as it should be. The PTA came to the rescue and supported our purchase of hundreds of new books to replace the old, battered or missing ones. This was a huge and expensive order but has made the children's learning and the staff's job an easier and happier experience. Thank you!

Kind regards

Elaine L Hughes
