Welcome to the Summer Term, possibly the favourite term of the year for many and this year will not disappoint. There will be the return of some of regular highlights such as our Sports Days, Leavers' services and the Year 6 performance. These exciting events will happen once the external examinations: Year 6 SATs, Year 4 Multiplication Check and the Year 1 Phonics Screening have been completed. A full list of Summer Term dates are listed below and these have been updated on the website calendar.

We are privileged to be at the heart of our community and our PTA plays a vital role in helping our schools thrive. During the summer, the PTA will be arranging ice cream sales, Sports Day refreshments and our excellent Summer Fair. You may not be aware that we run the two school sites without a caretaker. The help that our parents gave us at the TLC Day was absolutely invaluable, as well as being a great way to get to know one another. As you can see from the photos, a tremendous amount of painting was completed at the Infant School.

Last week, the PTA also organised a highly successful Sportathon where we welcomed Katherine Copeland, an Olympic rowing gold medallist, who put our children through the paces and delivered a great assembly. The pupils had a wonderful time and we look forward to hearing from the PTA how much was raised. We would like to send a massive thank you to all the parents who generously gave up their time to support us at these events.

Please have a restful Bank Holiday weekend and keep cool!

We have had a very busy and successful start to the term participating in a variety of competitive sporting events.

YEAR 6 GIRLS NETBALL TEAM

The year 6 girls have been playing within a Wokingham netball league, competing weekly to qualify for the finals. The girls were challenged to rotate netball positions, forcing them out of their comfort zone to learn new skills and work well as a team whilst playing various mini netball games. Last Tuesday the girls played in the final and came first place after all their hard work. It was a very close final game, as Robert Piggott won by a single goal within the last minute but a very well deserved win to our girls.

YEAR 3/4 BADMINTON

Following on from the last qualifying event, our year 3/4 badminton team continued on to the final badminton skills competition. The team worked together to achieve as many points as possible as they moved round station to station competing in a variety of different badminton challenges. Robert Piggott came out on top and we were pleased to walk away with gold medals.

CROSS COUNTRY

We sadly say goodbye to cross country until next year as the weather begins to warm up. Our school competed in the final run within relay teams for the final event against all schools in the borough and had a blast encouraging one another during their final run of the year. The children's extreme hard work paid off in excess as we walked away with four trophies and countless medals and we took overall runner up in our division.

YEAR 3/4 GOLF

On Monday we put together a Phase 1 golfing team for children who have enjoyed playing mini golf outside of school and wanted to develop their skills as part of a team. The children practised their aim and putting skills with a variety of different golf clubs and took part in a range of different skill based activities to earn points together, working on the distance they could hit their balls, aiming for different targets and differentiating what golf club would be best to use based on the aim of the task.

Attendance

Infant School 96.1%

Junior School 95.6%

Attendance expectation 96%

You can view your child's attendance online using your Arbor login.

Should your child drop below 90% you will be notified by the School leadership team.
