

It has been an incredibly busy run up to the Easter break, with lots of hard work and wonderful opportunities for the children as we approached the end of term. Meanwhile the teachers, have been meeting with the parents for consultations and have written the termly report cards which you will have received by email from Insight.

This term has also been filled with a wide variety of enriching activities; numerous sporting events, class photos, our EYFS visit to Rushall Farm, a cool graffiti workshop, violin lessons, WASMA and our celebration of World Book Day. We also participated in STEM week which culminated in our hugely popular Science Fair.

We wish you all a Happy Easter and thank you for all your help and support this term.

Easter Service

We have ended our term with our Easter Service at St Mary's Church. This is such a special event for us as it is the only time all the children from both schools, join together in worship. We welcomed Reverend David who helped lead the service alongside the children. We sang together and reflected on the hope and joy that Easter brings. Sadly, with 275 children filling the church we are unable to invite our families but the church is open daily from 9am to 4pm for you to view our prayer stations.

Graffiti

Last week Graffiti Stars came in to school to run a Street Art workshop for Ash and Hawthorn class, with some spectacular results, as you can see.

SPORTS ROUND-UP

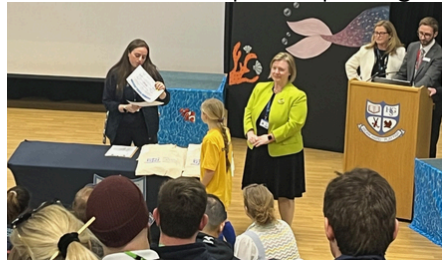

KURLING

Four of our Year 4 boys had a great time at a kurling inclusion event at Bohunt on 9th March. They practised their curling skills in a number of events including matches against another school.

GIRLS' FOOTBALL

On 13th March, some of our Year 5 girls with a passion for football were personally invited to a mini-football tournament hosted at Holme Grange School. Our team came second overall and some of our players were specifically chosen for their positive attitude and amazing skills throughout the day. Rosie Roberts was awarded player of the match by her team spirit and amazing ability to set up goals, whilst Wellie Hardie-Gleed was awarded player of the day out of all those participating.

YEAR 6 GIRLS NETBALL TEAM

The year 6 girls have been playing within a Wokingham netball league, competing weekly to qualify for the finals. The girls were challenged to rotate netball positions, forcing them out of their comfort zone to learn new skills and work well as a team whilst playing various mini netball games. On 19th March, the girls played in the final and came first place after all their hard work.

YEAR 3/4 BADMINTON

Following on from the last qualifying event our badminton team continued on to the final badminton skills competition. The team worked together to achieve as many points as possible as they moved round station to station competing in a variety of different badminton challenges. Robert Piggott came out on top and we were pleased to walk away with gold medals!

CROSS COUNTRY

Sadly, say goodbye to cross country until next year as the weather begins to warm up. Our school competed in the final run within relay teams for the final event against all schools in the borough. The children's extreme hard work paid off as we walked away with 4 trophies, medals and took overall runner up in our division.

WASMA

A term of rehearsals culminated this weekend with our pupils representing us at WASMA (Wokingham Area Schools Music Association). This provides opportunities for pupils in Wokingham Schools to make music together, usually involving around 800 children and results in an amazing concert at Reading Hexagon. After successful auditions, Otilie Robinson was selected to perform two solos and others had acting parts with everyone else joining in on group numbers. Many thanks to Sarah Pontet, Steph Daisley, Steven Phillips, Liz Tawse and Clare Fraser for working with the children. It was a most enjoyable and well organised event.

Attendance

Infant School 96.2%

Junior School 95.7%

Attendance expectation 96%

You can view your child's attendance online using your Arbor login.

Please help us to get our attendance figures back over 96% and maintain it.

Should your child drop below 90% you will be contacted by the School leadership team.

If you would like to know about particular allergens in foods, please ask a member of the catering team for information. If your child has a school lunch and has a food allergy or intolerance you will be asked to complete a form to ensure we have the necessary information to cater for your child. We use a large variety of ingredients in the preparation of our meals and due to the nature of our kitchens it is not possible to completely remove the risk of allergen cross contact.

CHRISTMAS CARD DESIGN COMPETITION

Do you love drawing and being creative?

We're inviting children and young people of all ages and abilities, to create two festive Christmas card designs which will be printed and sold to help support patients.

Please see the back of this poster for more details and how to enter.

THE CATEGORIES

We are looking for two winning designs:

- Card One: Primary school-aged children
- Card Two: Secondary school-aged children

DESIGN IDEAS

Your design can be inspired by any Christmas theme, including:

- Religious scenes
- Peace & candles
- Robins and winter birds
- Seasonal or winter settings
- Traditional Christmas imagery
- Animals or floral designs

HOW TO ENTER

Once your design is complete, please email it to us for consideration.

Be sure to include:

- Child's name
- Age
- School

Email entries to: charity@royalberkshire.nhs.uk by Wednesday 15th April 2026.

WHAT HAPPENS NEXT?

The two winning designs will be professionally printed as Christmas cards, with the artist's name, age and school printed inside.

Winners will also be invited to the hospital to meet the team and see their finished card design in person
